"Never again" is the theme of a video entitled "The Promise," produced by Tim Salem, assistant principal at Danbury High and several members of the 2006 graduating class. It deals graphically with the human tragedy that is **Darfur**. The members of a Renew Group at St. Joseph's Church in Brookfield undertook the task of demonstrating to the Darfurians that, indeed, they are not forgotten.

A special collection was taken at all Masses on Father's Day weekend that raised approximately \$15,000 that will be sent to **Darfur** through the on-the-ground facilities of Americares and Catholic Relief Services.

We wish to thank the parishioners of St. Joseph's for their generous support. It was an overwhelming response.

We also thank Tim Salem and the members of the 2007 DHS graduating class -- Sabrina Wirth, Alysha Rashid and Max Delahanty -- for their informative presentations to assist in the awareness segment of our effort. These moneys could not have been raised without them.

We urge all communities of faith to consider undertaking a project of this nature to help our neighbors in need, no matter the distance. Our world gets smaller every day.
